***Response to Amendment***

The examiner acknowledges new claims 31-33.

***Allowable Subject Matter***

Regarding claims 1-33, the prior arts fail to teach or fairly suggest a first storing unit containing an ID code registered therein, the ID code including a plurality of ID code sections forming one ID code as a whole, each ID code section being generated corresponding to an operation of said at least one operating switch,

wherein when said first control unit is set to the ID registration mode by said ID registration mode setting mechanism and said at least one operating switch is operated, the ID code sections are supplied to said first storing unit to be registered as said ID code.
